BAHAMA BUCK'S

NUTRITIONAL NOTES

The nutritional and allergen information Bahama Buck's® has provided is based on standard product formulations. Since all Shaved Ice (Sno®), Island Smoothies, Lemonades, Frozen Café Favorites, Bahama Sodas, and Bowls are made to order, the nutritional content may vary slightly from the information provided here. Some of the listed items may not be available in all shops.

Shaved Ice flavors without artificial dye include: Natural Coconut, Natural Guava, Natural Lemon, Natural Mango, Natural Pineapple, Natural Watermelon, Birthday Cake, Cheesecake, Coconut Cream Pie, Jamaican Rum, Piña Colada, Wedding Cake, White Bomb Pop®, and White Coconut.

All milk-based beverages contain whole milk. Reduced calories substitutions may be available upon request. Please ask an Avalanche Crew Member for more details.

Individual franchise owners and operators may substitute Pepsi-Cola® in place of Coca-Cola® products.

For further information contact the Bahama Buck's Support Center at 1 (888) 382-8257.
